CALVIN W. PRICE, EDITOR.

THURSDAY, FEBRUARY 15, 1923

This is Lincoln week. In 1806, on the 12th day of February, in the the same luck as our own President with the history of the man, with the State of Kentucky, Lincoln was born Harding. They called the VanBuren personal experience of the man, with in a log house. His immediate an administration the parenthesis, bethe needs of the country, and with cestors had moved from Rockingham cause it could be omitted altogether the fact that without exception, county, Virginia, over the wilderness | without injuring the sense. trail into Kentucky. Up to the age of twenty four. Lincoln lived with his family in Kentucky, and took an Whig. And in 1846 he was elected and keep the nation true to the line

captain and pilot in charge of a flat the hands of a fanatic.

boat that took the produce of the I can very well remember when a

in school or not. What is the com capacity to commune with the mighty

A good deal has been said about Johnson. The picture of a half grown boy sitting in a kitchen chair with his back to the wall, so that the fireThey could study the life and work teen years old, it may be stated that he used sunlight and the light of tallow dips to augment his illumination. But what ever the means, six books eighteen years.

surveyor is one who holds himself Washington acquired the same kind of a profession by loafing around in these woods with Andrew Lewis.

He man who had no log to be he was submerged and obliged to retire lnto private life, forgotton by his former friends.

And in the same way he read law the head of the corner. and prepared himself to practice that profession. At the age of twentynorth into Illinois.

he settled in Springfield, the state the supreme court which held its rode the circuit, going from one county to another attending terms of house a poor person was present, and he was so ragged that the lawyers took up a collection to buy him some clothes, and Lincoln subscribed a dollar, adding after his contribution that it was for the end in view.

And so he forged ahead just as sensible boys and men progress in every period and in every place. It was in politics that Lincoln was to stumped the state of Illinois in the It was as a member of the Whig par ty that Lincoln first came into fame That party has faded away into the dim past. In our own county it can be broadly stated that the common run of democrats are descended from whigs, that is, that many of the dem ocratic clan were whigs before the Civil War. The whig party took its name from the old Scotch presbyte rian party of Scotland. The Covenanters of the seventeenth century. It was a name given in derision and means sour milk or clabber, and was supposed to describe the puritan and the presbyterian who opposed worldly amusements. In the thirtles the democratic party had been in so long ten so rotten as the saying

The Whig party lived long enough to carry two presidential elections, slecting Gen Harrison in 1840, and

active part in the frontier life of the to Congress as a Whig, and there votimes. In 1830, the family moved to ted against the extension of slavery. Illinois, and shortly afterwards Lincoln left home and branched out for himself.

The first part of his clife was that of a backwoodsman, excelling in all supported Fremont. In 1858 Lincoln the others without exception were of this day came to the course in the party nominated buchanan, and The People's the only president that we have ever had who sprang from the people. All the others without exception were of the course in the course in the only president that we have ever had who sprang from the people. All the others without exception were of the course in the cours that the pioneers considered important. He was an expert with an axe. States Senate and was defeated, and and when it came to making rails. States Senate and was defeated, and in 1860 Lincoln as the nominee of the line to the ministry by a supported Fremont. In 1855 Lincoln the others without exception were the plaintiff, by its attorney, and upon his motion, and it appearing from affidavit filed in the age of thirteen to keep from be the cause that C. S. Curry and Cornthere were few to equal him, and none superior. He could make and lay up rails with any man. To show that he took a prominent part in the wisdom of Lincoln, his re-election, life of the woods, he twice was the and his death by a gunshot wound at

country to New Orleans from the number of persons spoke bitterly vidious bar. No one made him. He waters of the Ohio, and this before of Abraham Lincoln, but for years it was as the good Lord fashioned him. he was twenty-one years old. When appears that he has grown in glory he got to New Orleans and disposed until he has now not a single detaactof his cargo and boat, he and the or. The passions of the day have faded as the truth appears, and he is regarded as one of the greatest men two parts. The first twenty-four crew walked back to their far dis faded as the truth appears, and he is

It is said that Lincoln received less America has produced. than a year's schooling. That must There is now living in California, mean all the days recorded together Cornelius C. Cole, who was one hun and science of his neighborhood would not make a year. It was cus dred years did last September. He which consisted of the work of changtomary then, as well as in my own served as a United States Senator ing the forest clad rich lands into the recollection, to have a short term of He was in Washington a great deal smiling fields of agriculture, and the school in the winter time, and the during the Civil War and knew Linlame and the halt and the girls could coin. He said to an interviewer the lems which brought him to the positbe counted to go the full term of other day, that during the last two some four months, but a useful boy years of the war he called at the they moved to Illinois and went into could not be spared for that long White House frequently, and that he the sett's nents. Here Lincoln clerk-He would have to wait until the corn would enter unannounced, and would was in, and then go at odd times un | find Lincoln alone in his room with til the school ended. So as to educa | the door open as a usual thing. Cole tion, it must mean that the odd days said that on one occasion he told that Abraham could be spared to re Lincoln that he ought to be guarded, ceive an education, when totted up and that Lincoln said to him: "When would amount to less than a year. I first came here, I made up my mind But it is universally agreed that that I would not be dying all the when Lincoln learned to read, he time. I have observed that one man's immediately got the habit, and of life is as dear to him as another's and course if he became fond of reading he could not expect to take my life his education was assured, and it without losing his own. Besides it mattered very little whether he sat if anyone wanted to, he could shoot me from some window as I ride by panionship on the ordinary faithful daily to the Soldier's Home. But I school teacher as compared to the do not believe that it is my fate to die that way.'

All over the nation tribute is paid to the memory of Lincoln, on the oc Lincoln reading by the light of the casion of the legal holiday set apart log fire. That is the subject of the in his honor. And nowhere is the great drawing made by Eastman praise more sincere than in the South

light fell upon the open page. At of Lincoln as an essential course in the age of eighteen his library con the schools of this country. It is the parties for president and Lincoln short in Greenbank so please arrange sisted of six books. When you think feared that the United States may of the children of light in this day and forget that this is a poor man's para In the Ottawa speech, Douglas said generation reading a book through in dise, and the land of oportunity, and a day, that does not seem to be a big that the best heritage is to be born presence of the crowd, that they had Greenbank, W. Va., library, but if the library included a poor and to become strong by self ex known each other for twenty-five January 25, 1923, copy of the Bible and a copy of Shake ertion. There are two very good speare, it would be sufficient. There reasons why Lincoln could be chosen were not so many books in the woods as the exemplar of our national life in those days All historians insist and aims. The first is that he was on the wood fire as furnishing the one of the finest examples of the light that he read by, but with six American man who knew every phase books to master before he was eigh- of life from the lowest to the highest. and the other is that as a linguist he stands at the head of the class. At this time we as a people have not agreed on any one of our great men will not destroy the eyesight during as being the master of the language. There was a time that Washington For that day and time Lincoln Irving had a vogue, and persons were stayed at home much longer than was about ready to take him as a standcustomary, He must have been ard. Then there were people who pretty thoroughly impressed with were ready to follow William Dean the idea that he was needed to help Howells or Henry James, and if it make the living. At the age of twenty-four he be- the profanity that the suggestion came a clerk in the store. He picked caused, something 1 light have come up the rudiments of land surveying, of it. It is sure that no one can and I suppose then as now, a land scoff at the snggestion that Lincoln was one of the greatest word smiths out to be a land surveyor, and who who ever worked at the trade or pro seeks employment as such. George fession. The man who had no regu-

I submit specimens of the wording of the thoughts of Lincoln; From eight he was elected a member of the his second inaugural address: "Fondly eight he was elected a member of the his second inaugural address: "Fondly winter in a little still-house up at legislature and served four terms. do we hope, fervently do we pray, the head of a hollow. Lincoln said When he was thirty years old he was that this mighty scourge of war may admitted to practice law. All of speedily pass away. Yet if God wills these occupations were taken up by that it continue until all the wealth war had been righteously begun, but Lincoln after the family had moved piled by the bondsmans two hundred that he had always voted for money He soon made a name for himself be sunk, and until every drop of pressed Douglas so close that he ofas an able and correct reasoner, and blood drawn with the lash shall be paid by another drawn with the the split in the Democratic party, capital. It was not long until he sword, as was said three thousand and the election of Lincoln, and the was in great demand for cases before years ago, so still it must be said. country had a war and decided a that the judgments of the Lord are question that had been giving trouble sessions in Springfield, and from that true and righteous altogether. With for seventy odd years. First the New time he was a made man. He was malice towards none, with charity England states would threaten to sec also famous as a trial lawyer. He for all, with firmness in the right as ede, and then when they got pacified, God gives us to see the right, let us the Southern States would make finish the work we are in, to bind up threatening gestures, and it had to court. It is related that at one court the nation's wounds, to care for him be decided. who shall have borne the battle, and for his widow and his orphans, to do stands high. Better to install a all which may achieve and cherish a course in Lincoln in our schools than just and a lasting peace among our-

selves and with all nations." From his first inaugural address Lincoln is the best interpreter. advising the dissatisfied against precipitate action: "We are not enemies but friends. We must not be enemies Though passion may have strained, win his imperishable fame. He it must not break our bonds of affection. The mystic chords of memory, year 1844, as a Whig, for Henry Clay, stretching from every battlefield and patriot grave to every living heart Till you find the deathless Angel sea-and heart stone all over this broad ted in the vacant tomb. land, will yet swell the chorus of the Union when again touched, as surely they will be, by the better angels of

our nature.' From his Ottawa speech with Douglas: "Anything that argues me into his idea of perfect social and political equality with the negro is but a specious and fantastic arrangement of words, by which a man can prove a horse chestnut to be to be a

ren was drawing to a close. It had been inglorious. It followed the beliggerent excitements of 1832, and there had been a financial panie. Where are as a light that shineth more and more unto the perfect day. VanBuren seems to have played about Such messages taken in connection. those patriots who carry the torch of

> It is a strange thing that it can be suggested that a course in Lincoln

ing of learning and which possessed is necessary to no wealth. He broke his birth's in this suit. and today he is the best. model / both for wisdom of thought, and excellence

of expression. years were spent in the woods in Ken tucky and he excelled in all the arts mastering the transportation probion of captain of a flat boat. Then ed in a store and became the leader of the young men in a village. His election to the legislature due to his personal popularity no doubt marked the turning point in his life, for ted to the bar, and after that he led an intellectual life

The people of the mountains still whisper the tradition that he was the son of John C. Calhoun or that Box 172 they were half brothers, but there is no truth in it. That there should be such a rumor goes to emphasize the

fact of the obscurity of his birth. It was in the Illinois part of his ife that his life touched that of Step hen A. Douglas, the carpenter. They served in the Legislature together; Douglas was in the Senate at Wash ington, when Lincoln was in the House of Representatives; Douglas was opposed by Lincoln in the cam-Douglas won; Douglas and Lincoln were the nominees of their respect-

of Lincoln in his presence and in the years. Both were struggling with poverity in a strange land. Douglas was a school teacher and a cabinet maker, and Lincoln was a grocery

keeper. Douglas said: with him because of the uphill ed Saturday afternoon will be delivered by the struggle we both had in life. He was then just as good at telling at anecdote as now. He could beat any of the boys wrestling, or running a foot-race in pitching quoits, or tossing a corper could ruin more liquor than all the poys of the town together, and the price. lignity and impartiality with which he presided at a horse race or fistfight excited the admiration and won the praise of everybody that was present and participated.

Douglas wenton to say that Lincoln in Congress opposed the war with Mexico, taking the side of the common enemy against his own country, found that the indignation of the people followed him everywhere, and

Lincoln denied that he had ever kept a grocery, but said that it was true that he did work for part of one that he never would vote for the resolution declaring that the Mexican and fifty years unrequited toil shall and supplies for the soldiers. Lincoln
